

## Corporate Marketing Opportunity – Police Sector

The Police Governance Ontario's 2026 Spring Conference and AGM is being held from May 31 - June 3, 2026, at The Brock Hotel in Niagara Falls. The PGO (formerly OAPSB) is a not-for-profit organization representing over 150 police service boards from across the province.

At a time when so many changes are taking place within the police sector, now is the time to have your company or organization get in front of the **250-plus delegates** that are directly affecting those changes. These include members of a wide-range of decision-makers from police service boards, municipal councils, police services including OPP, as well as provincial government.

Added benefits: Funding received for PGO events is used to:

- Minimize costs to members to attend the seminar.
- Offset the expenses related to delivering the event and training.
- Support the marketing and outreach required to inform and communicate key stakeholders.
- Provide your organization recognition on our website, eblasts and at the event.
- Promote your product and services to over 150 Police Services Boards.
