

A Message from the Chair of Police Governance Ontario

Call for Expressions of Interest – OMERS Sponsors Council

Dear PGO Members,

On behalf of the Board of Directors of Police Governance Ontario (PGO), I am pleased to invite expressions of interest from qualified individuals interested in serving as PGO's representative on the **OMERS Sponsors Council**.

This appointment represents an important opportunity to contribute to the governance and long-term sustainability of one of Ontario's largest pension plans, while bringing valuable knowledge and experience from the police governance sector to discussions that impact participating employers and plan members.

The OMERS Sponsors Council plays a significant role in decisions relating to pension plan design, contribution rates, funding and long-term sustainability. Given the importance of these responsibilities, the PGO Board is committed to a transparent, competency-based selection process that identifies an individual with the experience, sound judgement and leadership necessary to contribute effectively at this level.

We encourage current and former members of municipal police service boards, eligible board staff and other individuals who meet PGO's eligibility requirements to consider this opportunity. Candidates should bring strong governance experience, financial literacy and an understanding of employer responsibilities. Experience in pension governance, labour relations, risk management or public-sector leadership would be considered valuable assets.

The successful candidate will be expected to exercise independent judgement, consider the broader interests of OMERS stakeholders and uphold the highest standards of governance and accountability.

Compensation commensurate with the responsibilities and expectations of the position will be provided, recognizing the significant time commitment, expertise and level of accountability associated with serving on the OMERS Sponsors Council.

Interested individuals are encouraged to review the attached Expression of Interest and eligibility criteria and submit their application for consideration.

- **Application Deadline: October 30th, 2026**

- Please email submission to admin@policegovernanceontario.ca

We recognize the importance of ensuring that the police governance sector contributes knowledgeable and capable individuals to provincial governance bodies. I encourage those with the appropriate skills and experience to give this opportunity serious consideration.

Sincerely,

Al Boughton

Chair, Board of Directors

Police Governance Ontario (PGO)
